Reports

The new Dads club shirt was presented, which includes a small fundraising opportunity with each purchase. Movie night discussed for this year, dates are to be determined soon but typically held on Fridays. We are OK to host indoors unless new details arise (Per Mary). We should try to avoid Highland Football dates, trouble in the past with conflicts. Restaurant nights trade off every month with PTSO. September is typically the Wing Eating competition. LaRista is a Greenfield family business. Golf tournaments typically in November, made about \$2,500 in proceeds last time but with great effort. Donuts with Dad in December on the 17th (Last Friday before winter break), probably will have out on the Basketball Courts like we did for muffins for Moms, and kids get to wear PJs. 1,030 kids currently at the school, 80 employees.

Dads Club will meet the 2nd Tuesday of Every Month at 7:00. Idea put on the table for a Bingo night, one of the new attendees has seen this work with great success in the past. Possible Dance Night? Musical chairs? We have a 1st grade teacher with a Dad who owns a DJ business and has volunteered to do any of the events at the school. Gingerbread houses for Winter? Amber Jones has a hookup with Hot Air Balloons, they will come do a glow up for free if we pay for the fuel. Not allowed to take off from the field (Per Mary). Maybe an opportunity for a McDonalds night?

Treasurers Report - \$10,920.01 on hand.

Suggestion to have signup genius or such to have committee chairs for volunteers.

\$35,000 budget to replace the marquis in front, we're basically getting a cool new jumbotron.

PTSO putting together 2 outdoor classrooms out by the 3rd grade portables.
